COMPLAINT

1. State the grounds for filing this case in Federal Court (include federal statutes and /or
U. S. Constitutional provisions, if you know them):

My retaliation claims are within the scope of my EEOC Charge and I pleaded them for
retaliation under Title VII. I received the Right To Sue Notice.

II. Plaintiff, Shirley R. Page resides at

1828 Meadows Trails, St. Louis, Florissant,
street address city county

Missouri, 63034, (314) 265-8866.
state zip code telephone number

(if more than one plaintiff, provide the same information for each plaintiff below)

III. Defendant, Matthew H. Hearne lives at, or its business is located at

7711 Bonhomme, Suite 330, St. Louis, Clayton,
street address city county

Missouri, 63031.
state zip code

(if more than one defendant, provide the same information for each defendant below)

IV. Statement of claim (State as briefly as possible the facts of your case. Describe how each defendant is involved. You must state exactly what each defendant personally did, or failed to do, which resulted in harm to you. Include also the names of other persons involved, dates, and places. Be as specific as possible. You may use additional paper if necessary):

After allowing the statue to run out on my Retaliation Right to Sue letter, the attorney denied that he lead me to believe that he was representing me. When the C D C asked the attorney to send documentation to prove his innocence, he sent the C D C copies of emails that he had sent me. When the C D C sent them to me for rebuttal I discovered that he sent the C D C (tampered evidence). He cut and pasted one of the emails that he sent back to the C D C. He led me to believe that he was my lawyer by having me to bring a witness to his office and afterward he had me to contact another witness for a written statement that was forwarded to his office. This he also acknowledges in his email as he states that he wants to know the moment that I hear back from the witness Mr. Hearne sent the Disciplinary Committee a email copy in which he cut out his original request to me. (A request that clearly further substantiates and supports my compliant against him). It rather proves him to be acting as (my attorney). The email reflects him acknowledging the fact that he and I had discussed the statement being sent and him wanting to know as soon as I heard back from the witness. He was requesting this information (7) seven almost (8) eight weeks after I first contacted and met with him. The email (that Mr. Hearne sent) to the (O C D C SUPREME COURT OF MISSOURI) clearly does not contain his (entire) statement. In the email that Mr. Hearne sent to me he wrote: (The 90 clock is ticking), the email sent to C D C did not contain (The 90 clock is ticking). When I discussed these facts with Melody Nashan of the C D C's office in July of 2011 she stated that the C D C never received any such email from Mr. Hearne.

V. Relief: State briefly and exactly what you want the Court to do for you.

I am asking for Punitive and Compensatory damages for future pecuniary losses, compensation for defamation, emotional pain and distress, suffering inconvenience, loss of enjoyment of life, and other nonpecuniary losses.

VI. MONEY DAMAGES:

A) Do you claim either actual or punitive monetary damages for the acts alleged in this compliant?

YES [x]

NO []

B) If your answer to "A" is YES, state below the amount claimed and the reason or reasons you believe you are entitle to recover such money damages:

I sustained damages, including, but not limited to, loss of salary, benefits, raises, past and future income opportunities, emotional pain, suffering, mental distress, anguish

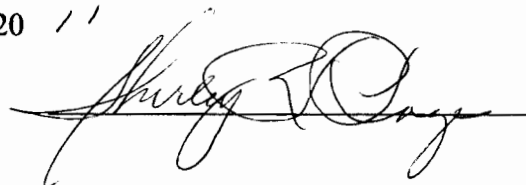

VII. Do you maintain that the wrongs alleged in the compliant are continuing to occur at the present time?

YES [X]

NO []

I declare under penalty of perjury that the foregoing is true and correct.
